NOTE

Sub: Staff for Computer Centre for working in WISE.

WISE software implementation has been started at CW/PER in Jan 2019 onwards. To implement Incentive Module/Material Module, staff was needed. Then Dy.CME/P, allotted the following two trainees for implementation work. During that time, then Dy.CME/P told to facilitate to work at Computer Section. They were allotted with Welder trade at WR shop during appointment itself.

Sl. no	Name	Token no.	IPAS No.	Qualification	DOA	Training Period
1	K. Rameshkumar	CW741	15729801112	• B.Tech- IT • MBA- Operations	30/01/2019	3 Years
2	J. Akram Javeed	CW742	15729801140	• B.Tech- CS	22/04/2019	3 Years

As these trainees are Computer graduates, are being used fully in implementation of WISE. Due to their sincere and dedicated work, CW/PER became the first workshop over Indian Railways implemented WISE software. They are also being used in implementation of Biometric attendance system. Now CW/PER is the first workshop in S.Rly implemented biometric attendance system and reduced 5 % cut in AT.

Due to their sincere efforts/work and computer skill only above could be achieved. Now their training period is to be completed on 30/01/2022 & 23/04/2022 respectively.

Now their service/work is essentially required at Computer Section for maintenance/monitoring of WISE software implementation, otherwise giving information for WISE meeting held at Railway Board level will be affected.

As per instruction of DY.CME/P, post are to be created for SAT as this is recurring issue. During that time the above staff will be regularised to work at Computer Centre. Till such time they may be allowed to work as Computer Centre under BR (Bill unit- 223)

Hence these two trainees may be allotted to work at Computer Centre. To enable this, their shop may be transferred to BR (Bill unit- 223), from WR shop (bill unit 202).

Put up for kind perusal and approval to change their shop from WR (Bill unit- 202) to BR (Bill unit- 223) please.
