Dear Sir/Madam,

I am writing to formally escalate the delay in the disbursement of my home loan (Loan Account No. 43438677179), despite having completed all requisite formalities.

I submitted the Work Progress Status Report and Disbursement Request Form on 09/07/2024. However, the site inspection—which is essential for progressing the disbursement—has not yet been conducted by an appointed agent. This delay is significantly impacting the ongoing construction work and causing considerable hardship.

As all necessary documents and verifications have already been submitted and acknowledged, I kindly urge the concerned department to expedite the processing of the disbursement.

Please inform me if any additional steps are required from my end to facilitate the process.

Thank you for your prompt attention to this matter. I look forward to your swift response and resolution.

Sincerely,
